Garnishee.)	
_____)	

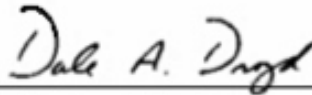

On October 17, 2005, this Court issued an Order of
Garnishment (Interest in Withheld Money) ordering the Garnishee
California Department of Health Services to pay to the Plaintiff
United States of America the approximate amount of \$72,920.76.
Said funds are held by the Garnishee California Department of
Health Services for the Defendant and Judgment Debtor Oganess
Titizyan ("Judgment Debtor").
/////

1 As of January 20, 2006 the United States had received no
2 payment from the Garnishee California Department of Health
3 Services. However, on January 20, 2006 the United States
4 received a payment in the amount of \$174,673.16 from Equity Title
5 Company of Los Angeles California on behalf of the Judgment
6 Debtor. Said payment satisfies in full the outstanding balance
7 owed on the Judgment Debtor's ordered restitution.

8 The United States therefore has no outstanding debt to
9 enforce and no longer requires a payment from the Garnishee
10 California Department of Health Services in order to satisfy
11 Judgment Debtor's restitution.

12 ACCORDINGLY, IT IS ORDERED that the Writ of Garnishment is
13 hereby terminated.

14 DATED: January 26, 2006.
